

At the AGM held on 18 September 2019, Evolve Education Group Limited mentioned that it would soon announce the appointment of a person to manage its' New Zealand operations.

Today, I am pleased to announce the appointment of Timothy C. Wong as Chief Executive Officer of the New Zealand operations of Evolve Education Group Limited. Tim will report to the Managing Director.

Over the past 8 years, Timothy has developed substantial experience in turning around non performing pre school education centres in Australia. The skills learned and refined over this time will be invaluable in enhancing Evolve's reputation both in educational and financial terms.

It is emphasised that Tim has hands on pre school education experience buttressed by a strong commercial background prior to entering the pre school sector in both the listed and unlisted environments ranging from Group Strategy Officer to Chief Operating Officer and Managing Director roles.

MD Chris Scott said "I am delighted to appoint Tim Wong as Chief Executive Officer of the New Zealand operations of Evolve Education Group Limited. I am confident that his ability to drive positive change management practices in varying operating conditions will greatly assist Evolve".

Chris Scott
Managing Director
