In light of New Zealand being raised to COVID-19 Alert Level 4 with effect from 11:59pm on Wednesday 25 March 2020, whilst the meeting will be held at the same time and place as previously advised to shareholders, shareholders will only be permitted to attend through the virtual meeting platform.

We appreciate the support and understanding of our shareholders with regard to this one-off arrangement for the Special Meeting and apologise for any inconvenience. We believe this is the prudent response in the circumstances to protect the health and safety of shareholders, our people, and comply with the containment strategies of health authorities in New Zealand.
